Principal's Message

Dear Class of 2013,

Congratulations!

As you enter into the next step in your life's journey remember that life is a process of learning, reflecting, and growing. As a West Side graduate, I want you to remember the moments you shared with faculty and students that have built you into the lifelong learner you want to be become. In life there will be many challenges and obstacles, do not let these challenges define who you are. The victory and perseverance through your challenges should define you.

Be inspired by others who are committed to giving back to our communities and neighborhoods

positively. There is no limit to your capabilities and I hope that you all reach your full potential so that you will live up to the true meaning of a Rough Rider. You have accomplished much and have made the West Side staff proud of your many accomplishments. Continue striving for excellence and remain grounded in the foundation that you built with the help of your teachers, mentors, and family members.

YEAR OF THE GOAL GETTERS

A large group of students, mostly Black, are posed on a concrete sidewalk that curves from the top left towards the bottom right. They are arranged in many rows, filling the width of the path. The students are dressed in casual attire, including hoodies, sweatshirts, and jackets. Several students are wearing green sweatshirts with "WEST SIDE" printed on them. The background to the right of the sidewalk is a grassy area. The overall atmosphere is bright and cheerful, with many students smiling at the camera.

TEAMWORK

The rules of soccer are very simple, basically it is this: if it moves, kick it. If it doesn't move, kick it until it does.

~Phil Woosnam

SOCCER

The West Side High School soccer program saw us improving on our previous year's record by at least 5 games. We are a rebuilding program which saw us missing out on the state championships once again! Our overall record saw us being at the 500 mark. The boys fought hard, even though our team was decimated with injuries. Our new players stepped in and gave a formidable account of themselves. We completed our community service project this year by participating in the American Cancer Society's annual Cancer Walk held in Newark. The students were used as volunteer helpers who directed thousands of people to their designated areas. We then treated them to a team lunch which the students absolutely loved. We are excited about next season's possibilities, in that we expect a new class to be recruited and possible transfer student who will be a part of the soccer program's continued growth here at West Side.

Though each day may bring challenges,
TOGETHER we stand.

There are times when those challenges
Create difficult situations,
TOGETHER we fall.

So as we learn to set goals,
Reach positive results,
TOGETHER we win!

We strengthen our character.
We teach our community.

We charge ourselves to be catalyst,
To spark educational interest
With *Extraordinary Results!*

Senior Class Advisors

Class of 2013

Dear Class of 2013,

It is with great pleasure and honor that we served you as your class advisors for the past two years. Your spirit and tenacity has proven that roses do grow from concrete. Each of you hold a special place in our hearts and minds and we hope that as you walk into your destiny, you remember the times we had shared together at West Side High School. You all have

accomplished many things and you deserve all the accolades awarded to you during your final days as a high school student.

As you venture into your next stage in life, please remember the spirit of a true Rough Rider. You are called to greatness and let nothing stop you from obtaining your goals. Our first lady, Michelle Obama said, "There is no magic to achievement. It's really about hard work, choices, and persistence." So to you, Class of 2013, we urge you to work harder, make smart decisions and choices, and never give up. These key attributes will lead you to a life of fulfillment and success.

Mr. Bender and Ms. Swinton
